

PEOPLE | INSIGHT | PROGRESS

Recruitment. Reimagined.

Smarter recruitment. Built around your business.

Cuebrix Group is a strategic recruitment and talent acquisition partner combining AI, talent intelligence, sector knowledge and human expertise to help organisations find better talent, hire faster and reduce recruitment cost and complexity.

TALENT TODAY. STRONGER TOMORROW.

BUILDING
BRIGHTER
BUSINESSES
TOGETHER

About Cuebrix

We help organisations identify, assess and secure talent across transformation, technology, data, digital and change-focused disciplines. Our approach combines AI-powered talent discovery, talent intelligence and human expertise so clients can hire with greater speed, precision and confidence.

20+
Years Functional
Experience

Sector and discipline expertise
built from real-world experience.

Why It Works

Strategic Expertise

We go beyond filling roles to understand business priorities and the capability needed to deliver them.

Talent Intelligence

AI and data expand the talent pool, improve matching and accelerate the route from requirement to shortlist.

Human Insight

Every shortlisted candidate is human reviewed, professionally assessed and personally vetted.

Built to Scale

Flexible recruitment capability that scales with hiring demand without adding permanent overhead.

AI-POWERED

HUMAN-SCREENED

BUILT FOR
WHAT COMES NEXT

AI-powered. Human-screened.
Built for what comes next.

Our Services

Talent solutions for complex change.

Whether you need one critical hire, specialist capability or an entire recruitment function, Cuebrix provides flexible talent solutions designed around your business — powered by technology and strengthened by human expertise.

PEOPLE
POWER
PROGRESS

Recruitment as a Service

Flexible end-to-end recruitment capability that scales with your hiring demand.

Permanent Talent

Search, assess and secure high-quality permanent hires across specialist and business-critical roles.

Interim & Contract Talent

Deploy experienced professionals quickly to deliver transformation and critical outcomes.

Executive Search

Discreet, targeted search for leadership and senior specialist appointments.

Talent On Demand

Quickly add specialist recruitment or delivery capability without increasing permanent overhead.

Talent Acquisition Advisory

Improve your recruitment strategy, processes, technology, workforce planning and operating model.

Sector Expertise

Travel, Aviation & Transport

Data, AI & Analytics

Recruitment. Reimagined. Responsibly.

Recruitment is changing fast. AI, automation and talent intelligence are reshaping how organisations identify, assess and engage talent — but speed and technology alone are not enough. Cuebrix is building for a more transparent, accountable future of hiring with AI-powered discovery, 100% human screening and human-led judgement.

A FAIRER, BRIGHTER
TOMORROW OF WORK.
